

A Message from Our Department of Obstetrics/Gynecology

The families of our growing community deserve the very best obstetrical services and a good start in life. We already have highly qualified and experienced obstetricians and midwives. With your support, we can provide state-of-the-art birthing and maternity facilities for the residents of the Rockaways and the Five Towns.

Fourth Annual Ocean Walk

*Tuesday, August 25, 2009
5 pm*

Your Opportunity to Provide Funding for a State-of-the-Art Obstetrics/Gynecology Renovation

The Walk

You are cordially invited to participate in the Fourth Annual Ocean Walk. Funds raised will go toward the state-of-the-art renovation of the Ob/Gyn suites and Maternity unit.

The Walk will begin at 5 pm starting at the Hospital flagpole and proceed to Beach 9th Street and back. The boardwalk will provide a scenic venue for the Ocean Walk. Refreshments will be provided by Aramark along the Walk and dinner will be served for all participants at the completion of the event.

Your support will enable St. John's to provide enhanced care and caring for all who come to deliver their babies. You can help to make this beautiful occasion most memorable and enjoyable for the families who choose St. John's for their maternal care. You can help provide state-of-the-art care for a hospital that also serves a medically underserved population.

To date, nearly \$120,000 has been raised toward this needed renovation. Our goal for the 2009 Ocean Walk is \$50,000.
